## APPEAL

Dear friends,

By this time, you must have been stirred to the core of your heart viewing the terrible pictures of devastation caused by the super cyclonic storm 'Amphan' on 20th May 2020. The wrath of nature has wreaked havoc on the lives of numerous people in majority of the districts in our state. This has compounded the pains of the common man already suffering under the prolonged lockdown in the wake of Novel Corona Virus pandemic. The twin blows have seriously impacted the majority of our population who earned their livelihood from jobs in the unorganised sector.

Friends, it has been our age-old tradition to stand by our hapless compatriots who are in immediate need of succour. The magnitude of the destruction this time is so massive that the relief measures of the government agencies must be supplemented by individuals /NGOs to resuscitate the lives of people. We are grateful to you for responding to our call and donating whole heartedly to the "PM Cares Fund" to fight the Covid menace. However, keeping in mind the immense damage caused due to the cyclone, we once again request you to donate whole heartedly to the cause of Amphan Cyclone victims. During this time of social distancing it is not possible for us to reach to all of you in person, hence we request you to remit your contribution to the following bank accounts.

### **INCOME TAX GAZETTED OFFICER'S ASSOCIATION, W.B. UNIT**

Bank- State Bank of India, Esplanade Branch, Current Account No. 34855759892

### **Income Tax Employees' Federation:**

This humanitarian work would only be possible if we reinforce our organisation's fund by contributing our might as generously as we can. Let's stand in solidarity with our grief-stricken fellow citizens and try to bring some solace to as many as possible.

Thanking you,

Yours faithfully,
